

Attention Property Owners/Developers

Please be advised that no curbing will be allowed in the ditches/approaches in all hamlets of Cypress County. Any such curbing must stop at the property line and approaches are to remain tapered on Cypress County property. For the existing ones that have not been approved by the County, please be advised you are requested to cut back at least 3.5 feet from the edge of the surface before November 1, 2008. These curbs can damage our snow plows and may also cause a liability issue in the future.

Thank you for your attention in this matter and the County is anticipating your full co-operation.

Pam Pirsch
Development Officer
