PUBLIC WORKS DEPARTMENT

PUBLIC NOTICE

WATER METERS

Just a reminder that the cold weather is not far away. Please take the time to ensure that your water meter is protected from freezing. If the water meter is in an area that is not protected from frost, the Homeowner must wrap the meter with heat tape and insulation or whatever other means it takes to protect it.

For further information please call the County office at (403) 526-2888.
