

Cardboard, Paper and Newsprint

are accepted for recycling at the
Dunmore Waste Transfer Site

- **Newsprint** - includes newspapers and all inserts
- **Cardboard & Mixed Paper** includes all types and thicknesses of cardboard and boxboard, office paper, envelopes, junk mail, magazines, catalogues, brown bags and wrapping paper

Please

- flatten all cardboard boxes to conserve space
 - clean & dry material only
- no paper coated with food, wax, foil or plastic

Look for the large green bin with separate compartments.

This a trial program only.

Depositing garbage or other materials in the recycling bin will result in this service being discontinued.

Some months there is so much garbage in the bin that the entire contents of the bin went to the landfill.

Tin cans, other metals, plastic milk jugs and cardboard milk containers continue to be collected at their usual locations.

Your cooperation in reducing the amount of materials going to the landfill is appreciated.
