

CYPRESS COUNTY

“Pass Card Restrictions”

Cypress County Residents;

When using your new pass card there are a few items and restrictions which you should know about.

When a card holder crosses the scale at the Redcliff/Cypress Regional Landfill, there is a charge of \$26.00 per tonne, with a minimum charge of \$5.00.

Cypress County pays up to \$150.00 per year for each Pass Card holder. This \$150.00 per year limit can be accumulated in any combination.

The holder of the Pass Card becomes responsible, at the time of crossing the scale, for all charges after the \$150.00 per year limit has been reached. Landfill staff will charge the Pass Card holder at the time of crossing (**cash only**). A letter will be sent out to the card holder to notify them when they have reached their limit.

PLEASE NOTE: When moving out of the County, please call the County office to cancel your Pass Card.

If you have any questions about the use of your pass card please contact the County office at 403-526-2888.

Thank you.

Cypress County
