FOR IMMEDIATE RELEASE

CYPRESS COUNTY FIRE CONTROL ORDER LIFTED.

Effective 10:00am, April 13, 2010.

Recent precipitation throughout south eastern Alberta has prompted Cypress County to lift the fire control order.

While open fires are now once again permitted, extreme caution should be maintained and that any controlled burning be supervised by an adult at all times.

The lifting of this ban does not impact any existing fire bans issued by cities and towns in the area, nor does it affect any fire bans issued for provincial parks. To see a list of the fire bans currently in effect across Alberta visit www.albertafirebans.ca.

Any person or persons who willfully sets an open fire is responsible for controlling it at all times.

For further information, contact the Cypress County office at (403) 526-2888.

Burnable materials will again be accepted at County Transfer Stations.
