TEXAS GATES

Policy Statement

Cypress County Council wants to establish a specific protocol for Texas gate requests. The Municipality receives its authority to control and manage road allowances in Section 18 of the Municipal Government Act.

Procedures

- The applicant must completely fill out the attached “Application and Consent for Installation of a Texas Gate.”
- The applicant will have the gate constructed and installed to County specifications.
- Once installed, the gate becomes the property of Cypress County.
- Any variance in the construction or costing shall be approved by Council resolution.
