#### **IMPORTANT NOTICES:**

- This application does not permit you to commence operation. A Notice of Decisions shall be issued by the Development Officer.
- The issuance of a development permit in accordance with the Notice of Decision is subject to the condition that it does not become effective until after the appeal period. Any work done prior to the issuance of a development and before the appeal expiry date is performed at the owner/applicant's risk.
- A permit issued in accordance with the Notice of Decision is valid for a period of twelve (12) months from the
  date of issue. If at the expiry of this period, the development has not been commenced or carried out with
  reasonable diligence the development permit shall become null and void.
- Failure to complete the application form and supply the required information may cause delays in processing the application.
- For new development requiring connection to Water and/or sewer in all Cypress County hamlets a connection fee and water meter fee is an extra charge.
- This development application is NOT a building permit application. In addition to obtaining a Development Permit from Cypress County it is the Landowner/Applicant's responsibility to obtain and comply with any Safety Codes permits required for their proposal i.e. building/electrical/gas/plumbing/private sewage/heating etc.
