STATEMENT REGARDING PLANNED URGENT CARE CENTRE

DUNMORE, ALTA. – Cypress County Reeve Dan Hamilton had the following to say in response to a question regarding the province's planned urgent care centre:

"We are certainly receptive to the idea of an urgent care centre located in Cypress County, whether that's in Dunmore or elsewhere. Improved health care benefits everyone in our communities.

"Cypress County remains committed to supporting collaborative efforts that strengthen rural health services and we look forward to continued dialogue with provincial partners as this project moves ahead."
